WELCOME

This North Lawndale Early Learning Collaboration (NLELC) Directory is a community-powered guide connecting families with children birth through age eight to trusted services across North Lawndale.

This directory includes a wide range of local partners offering support in child care, health, education, family advocacy, employment, and more.

Rooted in a “no wrong door” approach, this directory is a resource to help ensure families can easily access the help they need wherever they start.

OUR MISSION

The North Lawndale Early Learning Collaboration (NLELC) is dedicated to providing vital support for North Lawndale families with young children up to age eight.

The collaboration's mission is to ensure seamless access to early childhood education and care (ECEC) programs and services.

Since 2013, the collaboration has brought together community organizations across North Lawndale to advance the mission and promote a “no wrong door” approach for families to access ECEC programs. Its overall goal is to increase North Lawndale families' enrollment in ECEC programs by leveraging community partners that are invested in the success of ECEC and creating a pipeline of coordinated referrals.
